Councillor Beffort (absent)
Councillor N. deBoer
Councillor A. Groves
Councillor McClure (absent)
Councillor R. Mezzapelli
Councillor B. Shaughnessy

Town Staff Present

General Manager, Corporate Services/Town Clerk: C. deGorter
Executive Director, Strategic Initiatives: L. Johnston
General Manager, Finance and Infrastructure Services: F. Wong
Treasurer: H. Haire
Deputy Clerk: L. Hall
Coordinator, Corporate Sponsorship and Events: K. Hayashi
Coordinator, Council Committee: D. Lobo
Analyst, Senior Financial: E. Richards

CALL TO ORDER

Chair J. Innis called the meeting to order at 10:04 a.m.

DECLARATION OF PECUNIARY INTEREST

Councillor A. Groves declared a pecuniary interest with respect to the 2016 Caledon Council Community Golf Tournament Secondary Grant Recipients as she is a Board member on Che's Place Youth Centre, an organization that submitted a funding application.

RECEIPT OF MINUTES

Moved by Councillor R. Mezzapelli – Seconded by Councillor J. Downey

GT-2017-1

That the minutes for the November 14, 2016 Caledon Council Community Golf Tournament, be received.

Carried.

Mayor A. Thompson arrived at 10:08 a.m.

REGULAR BUSINESS

1. Distribution of Existing Reserve Balance

Ms. Haire provided an update regarding the reserve fund balance. She advised that after reviewing the cash flow and an overwhelming demand from grant applicants, the remaining balance of \$7,133 of reserve funds could be dispersed to recipients as outlined in Schedule A of the Staff Report. Ms. Haire advised that staff will determine if a reserve fund is needed considering recent operational changes with respect to the annual Golf Tournament.

2. 2016 Caledon Council Community Golf Tournament Secondary Grant Recipients

Councillor A. Groves left the table at 10:41 a.m. She did not participate in the discussion or vote on the matter.

Mayor A. Thompson left from 10:45 a.m. to 10:47 a.m.

Members of the Committee asked a number of questions regarding the selection process, the criteria used in the selection process, and the amount of funds to be provided to the grant applicants. Members of the Committee received responses from Town staff.

Moved by Mayor A. Thompson – Seconded by Councillor R. Mezzapelli GT-2017-2

That the Treasurer be authorized to issue grants to the organizations in the amounts listed in Schedule A as part of the Caledon Council Community Golf Tournament 2016 Secondary Grants; and

That the CCCGT Fund Account be disbursed as grants to the organizations in the amounts listed in Schedule A.

Amendment #1

Moved by Councillor N. deBoer – Seconded by Councillor B. Shaughnessy

That the following paragraphs be added:

“That \$7,133 in the Reserve Fund not be allocated as outlined in Schedule A of the Staff Report; and

That staff review the applications and come back with a further recommendation.”

Lost.

Amendment #2

Moved by Councillor B. Shaughnessy – Seconded by Councillor R. Mezzapelli

That the entire matter be referred back to staff for consideration.

Amendment to Amendment #2

Moved by Councillor R. Mezzapelli – Seconded by Councillor J. Downey

That the following paragraph be added:

“That staff investigate and confirm if Bethell Hospice meets the secondary grant criteria and ensure all recommended recipients are not-for-profits charitable organizations.”

Carried.

Upon the question of Amendment #2 moved by Councillor B. Shaughnessy and seconded by Councillor R. Mezzapelli, AS AMENDED, the Motion Lost.

Upon the question of the Main Motion moved by Mayor A. Thompson and seconded by Councillor R. Mezzapelli, the Main Motion Carried.

Councillor A. Groves returned to the table at 11:41 a.m.

3. Establishing Date and Location of the Golf Tournament

Chair J. Innis advised that the proposed date for the 2017 Golf Tournament is Wednesday, September 6, 2017 at Osprey Valley Golf Course. She noted that the date and location will be confirmed at an upcoming meeting.

ADJOURNMENT

On verbal motion by Chair J. Innis, the meeting adjourned at 11:42 a.m.

Meeting: Wednesday, March 29, 2017

Subject: 2017 Caledon Council Community Golf Tournament Primary Recipient

Submitted By: Kevin Hayashi, Corporate Partnerships & Events, Strategic Initiatives

RECOMMENDATIONS

That _____ be selected as the Primary Grant recipient for the 2017 Caledon Council Community Golf Tournament; and

That the selected Primary Grant recipient for the 2017 Caledon Council Community Golf Tournament receive ____ of the net funds raised from the 2017 Caledon Council Community Golf Tournament.

DISCUSSION

The Caledon Council Community Golf Tournament (CCCGT) is an annual charity event that raises funds for non-profit organizations either located in Caledon, or providing services in Caledon. For the period 2004 to 2016 the CCCGT has donated a total of \$885,035 to community organizations.

In 2016 the Golf Tournament Committee approved the primary grant recipient to receive 60% of net funds raised from the annual event. The remaining 40% of net funds raised were distributed to organizations through a secondary grant recipient process in the year following the tournament. In 2016, the Alton Legion Branch #449 was selected as the primary recipient and received \$73,000, which is 60% of the net proceeds from the 2016 CCCGT event, rounded to the nearest thousand.

As approved by the Golf Tournament Committee in 2015, the grant application for the primary recipient for the 2017 golf tournament was made available on the Town's website at the beginning of February, with a due date of March 3, 2017. The criteria indicated on the application form is that the Primary Grant will be awarded to an applicant supporting community projects within Caledon and that applicants will be considered generally based on, but not limited to, the following criteria: non-profit organization, located in Caledon and/or provide services for Caledon residents; capital project in nature benefitting the community; scope of the project and recognition of the Town. Organizations were made aware of the application through newspaper advertising, social media and email communication.

A list of all applications received for the primary recipient of the 2017 CCCGT is provided below for the Golf Tournament Committee to review and designate a primary recipient.

All applications and supporting documents submitted by organizations are provided in Schedule A.

Organization	Grant Request	Purpose of Grant Funding	Operating/ Capital
Albion & Bolton Agricultural Society	\$120,000	To purchase two grandstand bleachers to be used for the Tractor Pull, Fall Fair, and other events.	Capital
Albion Hills Community Farm	\$8,000	To purchase a trailer for farm intern accommodations to extend the farm's education reach for all programs.	Capital
Caledon Community Services	\$90,000	To purchase an accessible bus to transport Caledon residents to community services /activities.	Capital
Caledon Central Public School	\$20,000	To install a high quality walking/running track for public use on land previously utilized for the Caledon Pool in Caledon Village.	Capital

The following documents were
submitted by the applicant

2017 Caledon Council Community Golf Tournament (CCCGT) Primary Grant Recipient Application

Applicants are invited to apply for primary grant recipient funding through the 2017 Caledon Council Community Golf Tournament (CCCGT).			
Applicant Information			
Organization Name Albion Hills Community Farm		Contact Name and Position Karen Hutchinson, Chair, Board of Directors	
Current Mailing Address 16555 Humber Station Road		Town/City/Prov Caledon	
Postal Code L7E 3A5	Phone Number [REDACTED]	Fax Number	
Email Address karen@albionhillscommunityfarm.org		Website www.albionhillscommunityfarm.org	
Criteria			
The 2017 CCCGT primary grant recipient will be awarded to an applicant supporting community projects within Caledon. Applicants will be considered generally based on, but not limited to, the following criteria: <ul style="list-style-type: none"> • Non-Profit Organization • Located in Caledon and/or provide services for Caledon residents • Capital project in nature benefitting the community • Scope of the project, and • Recognition of the Town 			
Questionnaire			
1. Grant amount applied for?		\$ 8,000.00	
2. Organization's Mandate?		a) Purpose/Mission: Operate a community farm and learning centre in Caledon to increase public understanding, use and engagement in local food and farming. b) Goals and Objectives: To develop and promote sustainable near urban agriculture by focusing the farm's operation on four key program areas: -operating a market garden (CSA or veggie box sales and direct sales through	
a) Purpose/Mission			
b) Goals and Objectives			
3. Describe the scope of the project?		This project involves the farm's intern program which is a crucial program to help train the next generation of small vegetable farmers in Ontario. Interns spend seven months learning all aspects of the farms operation. Farms typically include on-farm accommodation for interns as part of the learning/working/living experience. At this time, the farm is purchasing a trailer to provide this accommodation.	
4. Describe the purpose of the grant funding. (How will the funding be used?) If *Capital, explain how it will benefit the community.		The grant funding will be used to purchase a trailer for farm intern accommodation. This is a capital expenditure and it will have a be used for several years. Having interns on the farm will benefit the community by extending the farm's education reach for all programs. Interns not only teach the community, but they learn themselves. In the end, all of Caledon benefits by having a strong and successful community farm to teach about eating, growing, preparing and farming local food.	
*Capital Expenditure – An appropriation of funds for a capital improvement project or asset. These are non-operating expenditures to acquire assets which will have a useful life greater than one year.

Caledon Community Services
The following documents were
submitted by the applicant

2017 Caledon Council Community Golf Tournament (CCCGT) Primary Grant Recipient Application

Applicants are invited to apply for primary grant recipient funding through the 2017 Caledon Council Community Golf Tournament (CCCGT).			
Applicant Information			
Organization Name Caledon Community Services		Contact Name and Position Beth Early Rea - Analyst Executive Services	
Current Mailing Address 18 King Street East		Town/City/Prov Caledon	
Postal Code L7E 1E8	Phone Number 905.951.2300	Fax Number 905.951.2303	
Email Address brea@ccs4u.org		Website www.ccs4u.org	
Criteria			
The 2017 CCCGT primary grant recipient will be awarded to an applicant supporting community projects within Caledon. Applicants will be considered generally based on, but not limited to, the following criteria: <ul style="list-style-type: none"> • Non-Profit Organization • Located in Caledon and/or provide services for Caledon residents • Capital project in nature benefitting the community • Scope of the project, and • Recognition of the Town 			
Questionnaire			
1. Grant amount applied for?		\$ 90,000.00	
2. Organization's Mandate?		2a). Caledon Community Services (CCS) is a multi-service community-impact organization that addresses the health, employment, training, business development, specialized transportation, newcomer resettlement, poverty reduction and social service needs of residents in the Town of Caledon and surrounding communities. Community leadership, voluntarism, client-centered care and integration across a broad service continuum are core principles in all of CCS' programs and operations.	
a) Purpose/Mission			
b) Goals and Objectives		2b). The goals and objectives of CCS' programs and resources emanate from its strategic plan. Our current 2014 –2017 Strategic Plan has the following strategic goals and objectives: 1. Community Engagement: Commitment to collaboration that results in community leadership.	
3. Describe the scope of the project?		This project's theme is accessibility. Its scope is centered around making community services/activities and opportunities for personal advancement/independence more accessible to Caledon residents. The project intentionally focuses upon those in our community who are marginalized by a lack of accessibility. The majority of funding provided to CCS will furnish an accessible training center to be located on the second floor of Caledon's new social purpose enterprise hub.	
4. Describe the purpose of the grant funding. (How will the funding be used?) If *Capital, explain how it will benefit the community.		The purchase of an accessible bus is straightforward, it is a "lifeline" for hundreds of people in Caledon who require specialized transport to partake in community services/activities. Without this ride, they are not going anywhere. The life of such a vehicle is generally estimated at six years. Costs are approximately \$95,000. Rather than seek full funding from CCCGT, CCS wishes to have this grant support a portion of the costs while using the remainder of the funds for the renovations and furnishing of the new Evolve Clothing employment training center.	
*Capital Expenditure – An appropriation of funds for a capital improvement project or asset. These are non-operating expenditures to acquire assets which will have a useful life greater than one year.		The renovations to the new training center and the purchase of chairs

Caledon Community Services

2b). The goals and objectives of CCS' programs and resources emanate from its strategic plan. Our current 2014 –2017 Strategic Plan has the following strategic goals and objectives:

1. Community Engagement: Commitment to collaboration that results in community leadership.

i. Develop and execute a partnership strategy that promotes leadership within the community in all of CCS' programs and operations.

ii. Recruit and retain volunteer leaders, representative of the community's demographics and the full scope of CCS' services.

iii. Increase the Caledon Community's awareness of all CCS programs and services.

2. Program Access: Commitment to cultivate the ways and means to use community resources.

i. Advocate for and develop transportation options that provide increased access to programs and services.

ii. Enhance programs and services to respond to identified gaps and needs.

iii. Increase program efficiencies that support access to services.

3. Operational Excellence: Commitment to quality resulting in sustainability and growth.

i. Develop and execute a professional development plan for Board, Staff and Volunteers.

ii. Develop and execute an Information Communications Technology (ICT) strategy.

iii. Develop and execute a staff retention plan.

iv. Achieve the standards of CARF Accrediting body.

v. Implement software (Goldcare) integration plan that supports centralization of information.

3. This project's theme is accessibility. Its scope is centered around making community services/activities and opportunities for personal advancement/independence more accessible to Caledon residents. The project intentionally focuses upon those in our community who are marginalized by a lack of accessibility.

The majority of funding provided to CCS will furnish an accessible training center to be located on the second floor of Caledon's new social purpose enterprise hub (Evolve Clothing, 4 Industrial Road, Bolton).

CCS is building a 15,000 sq. ft. retail store, replacing its landmark 6,000 sq. ft "Chez Thrift" that closed its doors in October, 2016. Branded as "Evolve Clothing", the new store will feature a 3,000 sq. ft second floor, accessible by a newly-installed elevator. This second floor will house an employment skills training center that is the focus of CCS' CCCGT grant application. A critical component to accessibility are the skills required to capitalize on employment opportunities. To that end, a portion of the funding from the CCCGT will support the renovations, IT configuration and furnishing of the newly built employment skills training center. This new community resource will be promoted as an employment skills training center for multi-disabled adults, newcomers/refugees, teenagers and other hard-to-serve Caledon demographics. CCCGT funding will purchase furniture, workstations, and IT equipment required for a state of the art learning environment that meets the needs of Caledon residents who face barriers to employment and the development of independence.

Transportation is also obviously an integral aspect of accessibility, especially in a community that has no public transit. We believe it is important that a portion of CCCGT funding also be allocated to support the purchase of an accessible bus that will transport those with disabilities to the training center.

CCS has recently secured a Government of Canada grant to install an elevator in Evolve Clothing so that the second floor training center is accessible. All other costs required to renovate and open Evolve Clothing are being assumed by CCS through its own fundraising.

4. The purchase of an accessible bus is straightforward, it is a "lifeline" for hundreds of people in Caledon who require specialized transport to partake in community services/activities. Without this ride, they are not going anywhere. The life of such a vehicle is generally estimated at six years. Costs are approximately \$95,000. Rather than seek full funding from CCCGT, CCS wishes to have this grant support a portion of the costs while using the remainder of the funds for the renovations and furnishing of the new Evolve Clothing employment training center.

The renovations to the new training center and the purchase of chairs, workstations, computers and a large Smart screen monitor will facilitate group training of multi-disabled adults, newcomers and unemployed youth. The training center will prepare all of these groups for employment and participation in the local economy. CCS' focus on disabled adults is a new initiative, one motivated by the fact that this is an extremely under-served group in Caledon. There is a dearth of resources to

address their unique needs and as such, CCS wishes to use Evolve Clothing as an employment training opportunity and setting for voluntarism, working in close partnership with Brampton Caledon Community Living, an Exchange Partner with whom CCS is already a close ally.

Mixing the multi-disabled adult demographic with other populations such as newcomers and youth is a best practice; it avoids further marginalizing multi-disabled adults in segregated training. Successful employment training of all populations is contingent upon efforts to integrate these groups with one another.

8. A Caledon-wide marketing campaign will be launched that will include a grand rebranding and reopening of CCS' retail clothing destination. The CCCGT grant will be applied toward the purchase of a new accessible bus and the inclusion of the training center that will be uniquely accommodated within this social purpose enterprise that in and of itself will be a community resource for thousands of Caledon residents. The CCCGT and Council's support will be recognized in print, digital advertising, social media through a variety of channels, press release, and word of mouth campaign that will accompany this new CCS milestone. In addition, editorial and publicity opportunities will be pursued to acknowledge the CCCGT/Council's support of this initiative both within and beyond the Town of Caledon. CCS has consistent sponsorship benefits based on levels of support. The CCCGT donation will be acknowledged to the full extent of the sponsor benefits that align with the donation in addition to the above communication opportunities. Our commitment to social responsibility in Caledon does not go unnoticed. CCS will pursue every opportunity to honor the Town of Caledon's Council for its support of this socially innovative community building initiative.

2017 Caledon Council Community Golf Tournament (CCCGT) Primary Grant Recipient Application

Applicants are invited to apply for primary grant recipient funding through the 2017 Caledon Council Community Golf Tournament (CCCGT).			
Applicant Information			
Organization Name Caledon Central Public School		Contact Name and Position Denise Ingoldsby, Principal on behalf of the Parent Council	
Current Mailing Address 18357 Kennedy Road		Town/City/Prov Caledon, Ontario	
Postal Code L7K 1Y7	Phone Number 519 927 5231	Fax Number 519 927 5953	
Email Address denise.ingoldsby@peelsb.com		Website www.	
Criteria			
The 2017 CCCGT primary grant recipient will be awarded to an applicant supporting community projects within Caledon. Applicants will be considered generally based on, but not limited to, the following criteria:			
<ul style="list-style-type: none"> • Non-Profit Organization • Located in Caledon and/or provide services for Caledon residents • Capital project in nature benefitting the community • Scope of the project, and • Recognition of the Town 			
Questionnaire			
1. Grant amount applied for?		\$ 20,000.00	
2. Organization's Mandate?		We are an elementary school, kindergarten to grade eight. Our intermediate classes take in students from Caledon Central, Belfountain and Alton. In the past few years our Parent Council has been raising money to put a track on our school property. In the interest of continued daily physical activity we feel that a track would encourage activity that would be used by not only our students but by the community at large.	
a) Purpose/Mission			
b) Goals and Objectives		Our goal is to build a track with a soccer field in the center for multiple use. We would hope to use our track for track meets for schools in the North.	
3. Describe the scope of the project?		This project has been ongoing for two years. We have raised \$30,000.00 through a sponsorship from Lafarge. The track would be 200 meters and have 8 lanes.	
4. Describe the purpose of the grant funding. (How will the funding be used?) If *Capital, explain how it will benefit the community.		In the past the community has been able to use the pool that was located on this property. We would now like to put in a track on that same area of land and invite the public to use it for walking/running clubs and also use of the soccer field for after school and weekends. We would like to build a high quality track that we would have for many, many years.	
*Capital Expenditure – An appropriation of funds for a capital improvement project or asset. These are non-operating expenditures to acquire assets which will have a useful life greater than one year.		We have been in discussion with Doug Beffort, Area Councillor, Ward 1.

2017 Caledon Council Community Golf Tournament (CCCGT) Primary Grant Recipient Application

Applicants are invited to apply for primary grant recipient funding through the
2017 Caledon Council Community Golf Tournament (CCCGT).

Applicant Information

Organization Name Caledon Soccer Club		Contact Name and Position Joanna Valeriani - Director of Sponsorship
Current Mailing Address P.O. Box 119 Stn. Main		Town/City/Prov Caledon East, ON
Postal Code L7C 3L8	Phone Number Club 905-584-4033 [REDACTED]	Fax Number 905-860-0106
Email Address info@caledonsoccer.com [REDACTED]	Website www.caledonsoccer.com	

Criteria

The 2017 CCCGT primary grant recipient will be awarded to an applicant supporting community projects within Caledon. Applicants will be considered generally based on, but not limited to, the following criteria:

- Non-Profit Organization
- Located in Caledon and/or provide services for Caledon residents
- Capital project in nature benefitting the community
- Scope of the project, and
- Recognition of the Town

Questionnaire

1. Grant amount applied for?	\$ 70,000.00
2. Organization's Mandate? a) Purpose/Mission b) Goals and Objectives	Our Mission is to Foster a Passion and Respect for Soccer by developing players, supporting coaches, appreciating parents and volunteers and positively impacting our community. Appendix A - attached
3. Describe the scope of the project?	Appendix B - Attached
4. Describe the purpose of the grant funding. (How will the funding be used?) If *Capital, explain how it will benefit the community. *Capital Expenditure – An appropriation of funds for a capital improvement project or asset. These are non-operating expenditures to acquire assets which will have a useful life greater than one year.	We have set aside a budget for 2017 to assist in the implementation of our Mentor coach program to allow for the hire of 3 additional coaches. Currently we have set in place a fee increase that will cover some of the costs, but not all. The balance of the funds will assist in growing the program to allow for the additional services, employment of Youth & Challenger Sports Coach program. The funds will be used to grow services in our current programs and add programs in order to retain our current membership. Caledon Soccer Club works to hire within the community and keep its membership within our community.

Caledon Soccer Club is dedicated to making our community a better place to live, work and play soccer. Soccer has such an impact on our community to educate, inspire and encourage our members to live a clean active lifestyle. We promote the philosophy of "Fair Play", one of respect for others and respect for sport. We believe in "Grass Root" soccer to engage our youth in physical activity, promoting positive behavior on and off the soccer field, with the support of our Coaches, Parents, Players, Volunteers and Officials.

In 2016 we introduced a Mentor Coach Program. The program allowed for our adult/youth to find employment with the Club in the capacity of assisting our Volunteer Coaches in our House League Program. The implementation of the program provided employment for 6 Mentor Coaches and a successful 2016 House League Season.

We wish to extend the program into 2017 to include the addition of 3 Mentor Coaches and Team Leader program for our youth to assist in our Under 12 Age groups and allow our Current and New Mentor Coaches to work with our older Youth and Rep and Development Teams.

We are also looking to improve our program well into the 2017 winter season and Jump Start this program for the 2018 Season.

We are hiring a coach from Challenger sports for 3 months in the summer to help manage the program and assist our U8 to U12 development teams.

Additional programs being offered to the community from the additional staff (we believe in the importance of hiring within our community and providing services to our members to keep them in our community):

- 1/Mentor coaches to assist house league coaches in U6 to U12 ages.
- 2/Introducing a "Tiny Tykes program for 3 year olds - new program starting Summer 2017.
- 3/ Two weekly summer camps, camps will run Monday to Friday, there are several programs for all ages - including full day and half day programs.
- 4/ Mentor coaches and technical staff to provide mentor coaching for our U8 to U12 development teams. Team Leaders to provide coaching in our House League program to assist our volunteer coaches.
- 5/ Indoor Soccer Skills program at Robert F Hall (52 kids registered in 2017) to increase this program to 2 nights per week to accommodate more Caledon kids.
- 6/ Offer a skills development session one night per week to all grass roots kids in our house league program.
- 7/ An additional program for our development players from U7 to U10 " Advanced Footwork and Skills"

Our goal is to improve the quality of services we are able to provide our membership so that we may maintain them and continue to have them support our community.

2017 Caledon Council Community Golf Tournament (CCCGT) Primary Grant Recipient Application

Applicants are invited to apply for primary grant recipient funding through the 2017 Caledon Council Community Golf Tournament (CCCGT).

Applicant Information

Organization Name <i>Credit Valley Sandstone Co. Ltd</i>		Contact Name and Position <i>LISA NICHOLS PRESIDENT</i>
Current Mailing Address <i>14550 Heritage Road</i>		Town/City/Prov <i>Caledon, ONT</i>
Postal Code <i>L7C 1P5</i>	Phone Number [REDACTED]	Fax Number
Email Address <i>stone@creditvalleyquarries.com</i>		Website <i>www.creditvalleyquarries.com</i>

Criteria

The 2017 CCCGT primary grant recipient will be awarded to an applicant supporting community projects within Caledon. Applicants will be considered generally based on, but not limited to, the following criteria:

- Non-Profit Organization
- Located in Caledon and/or provide services for Caledon residents
- Capital project in nature benefitting the community
- Scope of the project, and
- Recognition of the Town

Questionnaire

1. Grant amount applied for?	<i>\$ 101,000</i>
2. Organization's Mandate?	<p>William E. Cook's, <i>History of Inglewood</i>, states "Along the Niagara Escarpment, immediately to the west of Inglewood, the settlers discovered hardheads or field stone of natural or rich brown colour, and this area became the site of a prosperous quarrying industry.</p> <p>The first Inglewood quarry operated from Lot 1, Concession 3, west of Caledon first by Joachim Hagerman in 1875...of the 45 men working on the Hagerman site, 25 were stone cutters. Credit Valley stone was largely used by the City of Toronto." The main quarry road, located across from the Cheltenham Badlands, provided access to the northern quarries.</p> <p>The mission is straight forward. To provide roadside acknowledgement of this March 23, 1843 historic property; promote a positive visual aesthetic for the community and international visitors to the Cheltenham Badlands.</p>
a) Purpose/Mission	
b) Goals and Objectives	
3. Describe the scope of the project	The overarching goal is to, once again, allow public access. For over 18 years, it allowed public access via the Bruce Trail. With active management and oversight, the property will once again be part of Caledon tourism.
4. Describe the purpose of the grant funding. (How will the funds be used?) If *Capital, explain will benefit the community.	<p>The application for grant funding includes:</p> <p>Quarry main gate – Install anti climb fencing, two (2) Credit Valley sandstone pillars with wooden gates to enhance the visual aesthetic as visitors walk along the road to the Cheltenham Badlands. Additionally, a 30.5 m (100 feet) long double-sided Credit Valley sandstone wall with copings and topped with 1 m (3 foot) high anti-climb fencing with stone pillars and wooden gates.</p>

*Capital Expenditure – An appropriation of a capital improvement project or asset. It is non-operating expenditures to acquire an asset that will have a useful life greater than one year.

PRE-APPLICATION CONSULTATION – INGLEWOOD – SANDSTONE PARK – E & W1/2 Lot 1, Conc 3WHS

To clarify the licencing position of licence ID #6551. In the early 1970's, Hazel Norrie contacted the MNR and requested a relief from compliance for fencing. She was instructed to create a site plan for the current working area and that fencing relief was granted. However, due to a licencing error, only the current area of 2.6 acres, contained within a 6 acre fenced area, was licenced. That MREA continues to this day. The total property area is 145.45 acres.

With the Cheltenham Badlands parking lot approval and management plan reaching completion, the north side is now in a position to go forward with long planned final uses and surrender the aggregate licence.

To further this objective, according to Section 1.9 (after uses), "following the surrender of the licence issued pursuant to the Aggregate Resources Act, an amendment to the NEP is required to change the land use designation of the lot from MREA" to closer conformity with the NEP.

From 1993 to 2011 or 18 years, the Bruce Trail was actively used and the north side was an integral part of the trail system joining with the Russell Cooper trail on the Badlands side. Trail and public access was removed in 2011 after several serious trespassing incidents were discovered. Neighbouring properties were unable to allow access and the trail was removed. From 2011 until 2015, the by-law to prohibit parking on Olde Baseline had not been initiated and the Cheltenham Badlands remained unfenced.

In contemplation of surrendering the licence and reopening the property for local, provincial and international access, a complete management plan is being designed and will include an area for transportation and utility facilities.

Yard area – 6.25 acres (2 hectares) is surrounded by the remnants of existing stone and cedar fence. Contained within the yard area is a roundabout - .35 acres (.14 hectares) that will eliminate illegal u-turns on Regional Road 12 and has a 30 M diameter to accommodate the turning radii of buses and oversized vehicles.

The interior roundabout will be directly integrated with, and serve as a component of the existing regional road system. The requirement for illegal u turns / three point turns will be eliminated. The south side accessible parking at the feature (In Out parking) will have greater feasibility. (NOTE: there is no charge to use the roundabout during Park operations)

Parking within this transportation and utility facility will be 3 acres (1.2 hectares) with a 300+ car capacity; additional space for buses and oversized vehicles and a shuttle bus transfer area. The yard area will be fenced / gated with paid parking, portable washroom(s), interpretive area etc. but most importantly - staffed.

Once the Credit Valley Conservation has demarcated the regulated areas, the final parking design will be created.

Space is allocated for emergency vehicle parking close to the entrance. In case of accident, illness, fire or police requirements, access through the property is via the main quarry road, the office driveway or trail access with a park utility vehicle.

Additionally, space is allocated for a shuttle bus pick up/drop off point. This partnership shuttle service area will be available when feasible for the Region.

TRAILS

The existing main and ancillary quarry roads plus main and side walking trails will be utilized for public trail walking and will provide a historical narrative from 1843 to date.

Trails include as shown on attached map—

Entrance Ramp (0.3 km) green

Geological Route (1.9 km) yellow – quarries and “baby” Badlands north side

Vista Route (0.7 km) orange – panoramic view of Toronto

Rustic Trail (1.1 km) brown – natural hiking trail and elevation changes

Barrier-Free Route (0.9 km) purple - connecting the picnic area to viewing platform. Contained within the picnic area will be barrier-free amenities including a wheelchair accessible washroom and eating area. The viewing platform overlooks the Cheltenham Badlands and will be designed to include accessibility for all Ontarians.

Exit Route (0.9 km) red

Badlands Route (0.2 km) magenta

Access to the north side Badlands, although smaller, will provide public access to the formation relieving the publicly-owned Cheltenham Badlands from further damage.

Office -

The current residential home will be demolished and a historic office rebuilt on the existing foundation. It will contain Park management offices, security and will be available for community uses and as a classroom for tours / school groups.

The following documents were
submitted by the applicant

2017 Caledon Council Community Golf Tournament (CCCGT) Primary Grant Recipient Application

Applicants are invited to apply for primary grant recipient funding through the 2017 Caledon Council Community Golf Tournament (CCCGT).			
Applicant Information			
Organization Name Dorado Stars Swim Club		Contact Name and Position Geoffrey Gow	
Current Mailing Address [REDACTED]		Town/City/Prov Palgrave	
Postal Code L7E 0C9	Phone Number [REDACTED]	Fax Number	
Email Address [REDACTED]		Website www.doradostars.ca	
Criteria			
<p>The 2017 CCCGT primary grant recipient will be awarded to an applicant supporting community projects within Caledon. Applicants will be considered generally based on, but not limited to, the following criteria:</p> <ul style="list-style-type: none"> • Non-Profit Organization • Located in Caledon and/or provide services for Caledon residents • Capital project in nature benefitting the community • Scope of the project, and • Recognition of the Town 			
Questionnaire			
1. Grant amount applied for?		\$ 27,483.18	
2. Organization's Mandate?		To provide local youth appropriate competitive opportunities in the pursuit of excellence in swimming, in a positive environment dedicated to the promotion of sportsmanship, self-esteem and the achievement of personal goals.	
a) Purpose/Mission			
b) Goals and Objectives		<p>The mandate of the club will be achieved through a training model that supports and develops each athlete by means of a high performance focused development program.</p> <p>Specific goals are to win our division championship, and to help our swimmers achieve their next big step in the competitive continuum: Regional, Festival/Provincial, National and International competition.</p>	
3. Describe the scope of the project?		<p>The funds will be allocated to replace the pool starting blocks at the Mayfield Recreation Centre. Ownership of the blocks will be transferred to the Town.</p>	
4. Describe the purpose of the grant funding. (How will the funding be used?) If *Capital, explain how it will benefit the community.		<p>The current blocks were acquired by the club long ago. Their service life is nearly over – due to wear their decks no longer afford reliable grip and they are not entirely stable due to extensive corrosion. Recently one of the decks broke off when the supporting welds failed - rusted out.</p> <p>The new blocks will comply with modern competition standards with features such as kick pads and back start ledges. The new blocks will support an important aspect of high level competition training that our athletes require.</p> <p>The new starting blocks will be a great shared asset with the community and will be used by other groups such as the local high school and in intramural meets.</p>	
<p>*Capital Expenditure – An appropriation of funds for a capital improvement project or asset. These are non-operating expenditures to acquire assets which will have a useful life greater than one year.</p>

Subject: Starting Block Quotation

Dear Sir;

We are pleased to quote your request as follows:

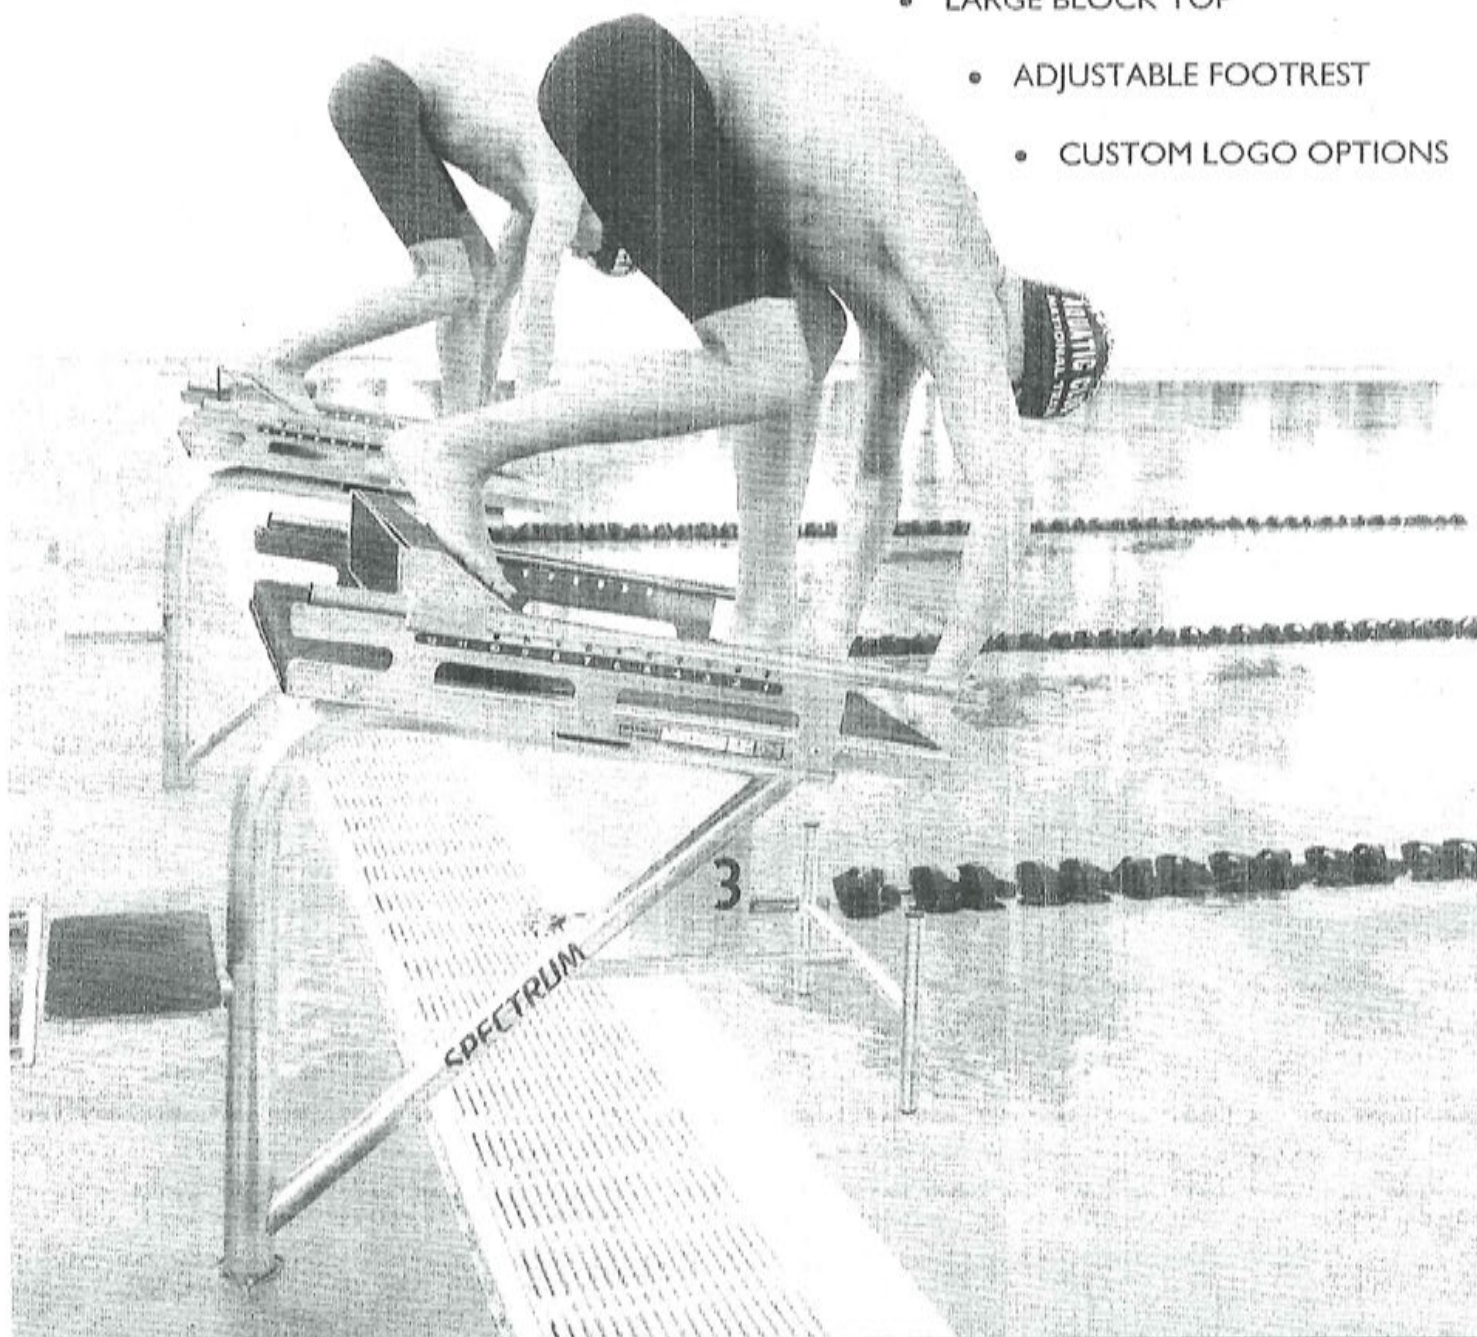

6 X Spectrum Xcellerator Single post Starting Platforms #57282 (without anchors) at \$3,624.40 each or 6 at \$21,746.40.
Freight as one lot to Caledon East, Ontario, L7C 2P9 at \$2,575.00
Ontario HST at 13% or \$3,161.78

Grand Total is \$27,483.18

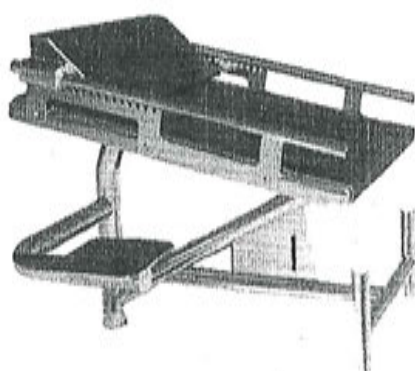

- Quotation is valid for 90 days. Afterwards subject to revision depending on year and exchange rate.
- Custom order items, not returnable
- Delivery is approximately 5-6 weeks after receipt of order
- Anchors not included, Please specify Version 1 or Version 2 anchors with order. The old style version1 anchor is 2 1/2"ID and has no markings on the edge facing up, and the version 2 anchor is 2 3/8"ID and has a 2 stamped in the top edge.
- Powder coated stainless steel is an available option at \$3024.50 for all 6 in any of the standard colours, freight is unaffected.
- Spec sheet attached for your information
- Custom logo's are estimated at \$2214.60 for all 6. No artwork provided so this is an estimate only.
- Dimension, height and setback will be required with order. Drawing attached to be completed and returned with order

XCELLERATOR® STARTING PLATFORMS – single post

- NO SLIPPERY AREAS!
- LARGE BLOCK TOP
- ADJUSTABLE FOOTREST
- CUSTOM LOGO OPTIONS

XCELLERATOR® STARTING PLATFORMS – single post

57282 Xcellerator – Single Post
(also available as a dual post)

Applying the latest in approved technology, this starting platform gives swimmers an extra boost on starts by allowing the rear leg to start at a 90° angle.

- Large 32" x 24" stainless steel top sloped at a 10° angle for optimal starting stances
- Covered in a superior non-slip material
- Easy-to-adjust track start footrest attachment with 12 setting options to accommodate all heights and levels of flexibility
- Uses single post anchor with patented anti-wobble design allowing for easy removal
- Side handles included to enhance speed and quick takeoffs
- Non-slip side access step
- Backstroke handles with versatile 18" H bar
- Stainless steel construction
- Suggested setback of 30" – accommodates anchor setbacks of 24" to 38"
- Available in black, with upgrade of custom colors and logos available
- Easy-to-read, large numbers
- Complies to FINA, USA Swimming, NCAA and NFHS regulations

SINGLE POST ANCHOR

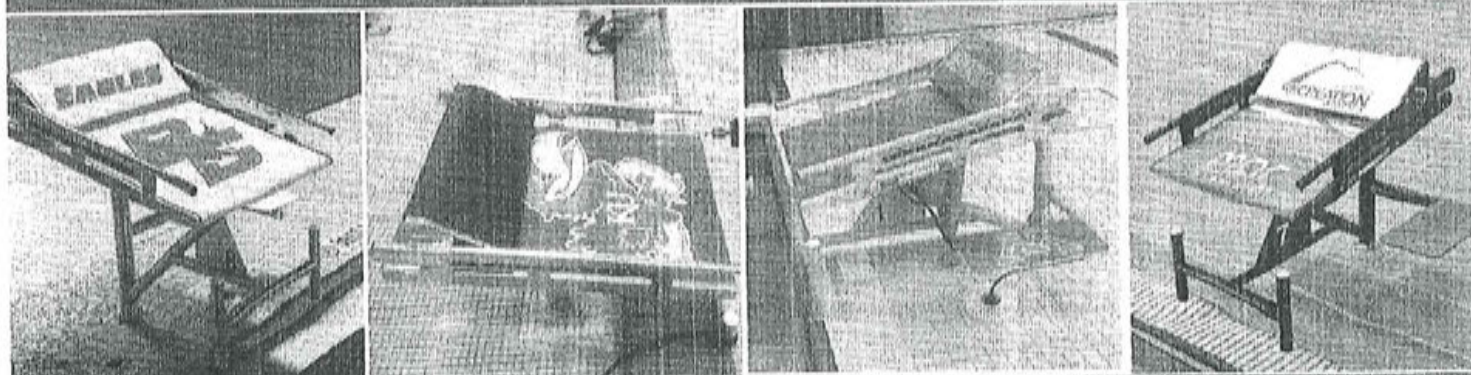

21700 Single Post Anchor

This unique, patented anti-wobble and locator pinned design is superior to all other single-set type anchors. There is no known equal.

- No tools required when installing or removing starting platform
- Machined bronze ensures extremely tight tolerances & offers superior corrosion resistance
- Locating slot design eliminates rotation and guarantees proper alignment of platform
- Includes stainless steel lid and removal tool

2017 Caledon Council Community Golf Tournament (CCCGT)

Primary Grant Recipient Application

Applicants are invited to apply for primary grant recipient funding through the 2017 Caledon Council Community Golf Tournament (CCCGT).			
Applicant Information			
Organization Name National Wildlife Centre Canada		Contact Name and Position Dr. Sherri Cox, Executive Director	
Current Mailing Address PO Box 192		Town/City/Prov Caledon East	
Postal Code L7C 3L9	Phone Number [REDACTED]	Fax Number n/a	
Email Address info@nationalwildlifecentre.ca		Website www. http://nationalwildlifecentre.ca/	
Criteria			
<p>The 2017 CCCGT primary grant recipient will be awarded to an applicant supporting community projects within Caledon. Applicants will be considered generally based on, but not limited to, the following criteria:</p> <ul style="list-style-type: none"> • Non-Profit Organization • Located in Caledon and/or provide services for Caledon residents • Capital project in nature benefitting the community • Scope of the project, and • Recognition of the Town 			
Questionnaire			
1. Grant amount applied for?		\$ 100,000.00	
2. Organization's Mandate?		The National Wildlife Centre, founded and based in Caledon, exists to help wildlife through a variety of programs aimed to protect ecosystems, populations of wild animals, and the health of individual animals. Our mission is to strive for optimal health of native wildlife species. We seek to achieve this through the medical care we provide and through the educational programs we offer. Educational outreach is a key part of our mandate, as we seek to mitigate human-wildlife conflict in our community.	
a) Purpose/Mission			
b) Goals and Objectives		<p>Overarching objectives for the next 10 years include (but not limited to):</p> <ol style="list-style-type: none"> 1. Determine a location for the wildlife hospital in the Town of Caledon. 2. Establish a financially self-sustaining NWC organization. 3. Develop national standards of medical care for native wildlife. 4. Educate/train future wildlife responders/veterinarians/animal care workers 5. Educate the community on native wildlife issues of national importance 	
3. Describe the scope of the project?		We offer professional training opportunities to wildlife responders, veterinarians, biologists, and students training in these fields from all over Canada. Our programs are designed to provide hands-on learning in wildlife health and disease. The purpose is for wildlife responders to receive training from us and then return to their regions across Canada better equipped to deal with issues related to native wildlife health. Caledon will be home to the Centre of Excellence for wildlife medicine and training in Canada.	
4. Describe the purpose of the grant funding. (How will the funding be used?) If *Capital, explain how it will benefit the community.		We are seeking funding to build our wildlife hospital's ICU and surgery unit. Currently we operate the only accredited wildlife hospital in the province as a mobile unit, traveling to wildlife rehabilitation centres in Ontario to provide vital medical care. As demand for our services continues to grow we are in need of a permanent facility in which to perform surgical procedures and house our patients during their critical pre- and post-op periods. This will allow us to provide critical veterinary medical and monitoring care and improve our patient outcomes. We plan to build on our initial design as funding permits in order to establish our permanent Centre of Excellence.	
<p><small>*Capital Expenditure – An appropriation of funds for a capital improvement project or asset. These are non-operating expenditures to acquire assets which will have a useful life greater than one year.</small></p>

The Living City Foundation

2. a) The Living City Foundation (LCF) serves as the fundraising and charitable arm of Toronto and Region Conservation Authority (TRCA). The Foundation exists to connect, engage, and inspire people and organizations to donate to support TRCA's Living City Vision where human settlement can flourish forever as part of nature's beauty and diversity.

Established in 1957, Toronto and Region Conservation Authority (TRCA) has a unique and dynamic role as the conservation authority charged with the management of the natural and water resources of Canada's largest urban centre. TRCA's activities reflect the breadth and scope of the organization's role and responsibilities, and encapsulate the key pillars identified in TRCA's 10-Year Strategic Plan (2013-2022) —(1) Healthy Rivers and Shorelines, (2) Greenspace and Biodiversity, (3) Sustainable Communities, and (4) Business Excellence, A Green Economy and Responsive Government. These pillars underscore TRCA's vision for The Living City.

b) TRCA owns more than 40,000 acres of land in the Toronto region, and with decades of practical experience in protecting our environment, educating young people, and engaging communities, we work with governments, businesses, and individuals to build a greener, cleaner healthier place to live. With higher temperatures and extreme weather conditions threatening the health of our watersheds, species, habitats, and infrastructure, our work plays a key role in helping our city adapt and mitigate the many impacts of climate change. Populations continue to increase in Canada's most populated region. While demographics are changing, a comprehensive and ongoing commitment to re-thinking greenspaces is required in order to maximize its value and ensure we are leverage these community assets.

3. Recognizing the important community, cultural and natural landscape connections of Bolton Camp, TRCA purchased the property in 2011 and is transforming the site from an overnight camp into a community cultural hub. Located in Bolton, Caledon, the site boasts 254 acres of public greenspace, a sports field, an extensive trail network, an outdoor pool and over 50 historic buildings. Phase 1 (Retrofit and Redevelopment) will take place during March 2017 until December 2018 and will focus on transforming the lower camp area (see map) into a multi-functional space with a specific focus on involving and servicing a variety of community needs. This will include site servicing (water, sewer, hydro), new entrance and roads, parking lots, bridge replacement, building an accessible baseball diamond, restoring the outdoor pool and retrofitting the former recreation hall building. During this re-launch period, TRCA is also developing partnerships with like-minded community groups and organizations such as the Bolton Braves, Caledon Community Services, YMCA, local schools, Rotary clubs and others to develop and implement compelling recreational, health and wellness activities, arts and culture programs and education-based initiatives that will serve a variety of interests and meet community needs.

The scope of this project is to restore and retrofit the former recreation hall building into "The Hub," a multi-purpose space that can accommodate a variety of community events, indoor sport, health and

Bolton Camp is located in the Region of Peel, Canada's second fastest growing region. Peel Region's current population is over 1.3 million and is expected to reach almost 2 million by 2041. The Town of Caledon is geographically larger than the City of Brampton and the City of Mississauga combined. With a population of just over 59,000, Caledon is undergoing enormous growth and this number is expected to more than double by 2031. This growth is in line with the anticipated increase in the other municipalities in Peel Region and as a result the need for accessible and inclusive outdoor and indoor community spaces in the region will also increase.

Bolton Camp's natural assets and historical buildings, such as The Hub, can accommodate a variety of recreational opportunities and indoor activities and become an attractive tourist destination in the Town of Caledon and Region of Peel. These activities will include a wide variety of big and small events and programs that will feature arts, culture, sports, recreation and food. All these activities will utilize the unique natural and architectural features of the former Bolton Camp and act as an economic driver for employment and entrepreneurship.

We are engaging the community to conceptualize, design, develop and implement both the redevelopment of the physical spaces of Bolton Camp and also the programs and business models for the operation of the site. Building on its strong history, the new Bolton Camp will be community developed and community driven. It will operate on a self-sustaining model, supporting a wide range of businesses, not-for profits, social enterprises. This will provide youth, community members and entrepreneurs the opportunity to use the space to create, develop and implement programs and services that meet the community's needs. One particular program which serves as a model for this approach and fulfills a gap existing in the local community is the "Girls Can Too" program which has given more than 45 young women the mentorship and skills necessary to use hand and power tools, plan business opportunities, and contribute to the restoration of the Camp.

Since 2014, TRCA has employed more than 100 youth and engaged more than 750 young people in experiences at Bolton Camp. While we have been able to provide youth with integrated learning experiences that will help them achieve academic success and meet their future career goals, our programs have been limited to the summer months only. As the site's infrastructure is upgraded and buildings such as The Hub are restored, we will be able to expand our program reach and accommodate year-round activities that serve a wide range of participants. For example, we currently are only able to accommodate part of the Rotary Club of Bolton's annual Haunted Hill Run on site. This local event occurs at the end of October and participants use Bolton Camp's trails for the run/ walk. However, the lunch and award/presentation ceremony cannot take place on site because we currently do not have indoor space to accommodate those activities. The Hub's revitalization presents an opportunity to transform the building into a unique, all-season, barrier-free space.

which includes \$150,000 from the Jays Care Foundation "Field of Dreams" grant awarded to the Bolton Braves, and \$295,000 in funding support from The Town of Caledon.

8. The generous support of the CCCGT grant will be acknowledged in the following ways:

- 1) Town of Caledon logo recognition will be provided on the LCF website, TRCA website and Bolton Camp Website
- 2) Town of Caledon will be featured on Social Media platforms of Twitter, Facebook and instagram -- LCF, TRCA, Bolton Camp
- 3) Town of Caledon Cheque Presentation with participants and Senior Management team of Toronto and Region Conservation Authority during the community ground-breaking ceremony event at Bolton Camp. Media will be invited to cover the event.
- 4) Town of Caledon will be provided with the opportunity to be featured in our signage on site
- 5) Town of Caledon will be recognized as donor for the building through an artistic plaque integrated into the building's space
- 6) Town of Caledon will be featured in our donor spotlight on Living City Foundation and Toronto and Region Conservation Authority websites

★ Bolton Camp

February 3, 2017

To whom it may concern,

On behalf of the Bolton Braves Baseball Association, I am delighted to provide this letter of support for the restoration and redevelopment of the former recreation hall building into "The Hub," a community gathering space at Bolton Camp.

The Bolton Braves Baseball Association supports competitive and recreational baseball activities for over 550 youth aged 4 to 18 from the Caledon area. This programming includes leagues and activities for every range of interest and ability – from competitive programs, which compete at the provincial level through house league and recreational events. Of note, we are very excited to offer the Baseball Canada administered Challenger Baseball Program, beginning with construction of a fully-accessible baseball diamond in Summer 2017 and then launching a full season program in 2018 and beyond at the Bolton Camp site. This initiative will allow us to offer a fun, safe, and accessible baseball experience to local and surrounding region children with cognitive and physical disabilities.

In addition to the potential Bolton Camp poses for our own sport and members, we are also excited about Bolton Camp's scope of work and the opportunities it will extend to the broader community and future generations. We have been pleased to see community enthusiasm and initiative converge around this project, and are excited by the many opportunities for involvement and growth it is expected to provide for our players, their families, and our community. For our part, the Bolton Braves are thrilled to participate in this project offering in-kind support to help facilitate event activities such as the ground-breaking ceremony. It is our hope that through collective effort - of organizations such as ours and yours - that this site will come to represent the highest standard of inclusion and accessibility in outdoor recreation and the joy it brings to participants of all ages and abilities.

Sincerely,

Michael Ortolan

To whom it may concern:

My name is Hayley Tompkins and I worked as a Crew Leader for Toronto and Region Conservation Authority (TRCA) Bolton Camp Redevelopment project from May 2015 – September 2015.

My responsibilities included working outdoors, sometimes in adverse conditions, and leading a group of up to 10 high school students on various environmental restoration projects, including clearing overgrown vegetation, building a 25 metre boardwalk and creating pollinator gardens. Not only did these projects provide me with a variety of hands-on skills and experiential learning opportunities, I was able to acquire leadership skills and was challenged to think creatively to solve problems.

My work experience at Bolton Camp confirmed that I want a career in the environmental field. I completed a Bachelor of Arts at the University of Guelph, and then attended Seneca College to complete an Environmental Technician diploma. Following graduation and my work experience at Bolton Camp, I am now working full-time at Wildlife Preservation Canada as the Native Pollinator Initiative Program Field Biologist, Crew Leader.

This past summer I conducted a workshop focusing on bumble bee collection and identification with the youth that were employed at Bolton Camp. It was wonderful to have a chance to connect with the youth and the site again. The youth really enjoyed the workshop and I was excited to have the opportunity to give back to a program that gave so much to me. I was reminded of what a special place Bolton Camp is, and how the work that TRCA is doing to conserve the ecological aspects while restoring all of the historical building on site, will create new and valuable gathering spaces for the community.

Having worked with local high school students on site, I was able to see first-hand how valuable the employment experience opportunity at Bolton Camp was for them. The restoration of the recreation hall building will provide an indoor programming space so that youth engagement and other community activities would be able to take place on site year-round, and not limited to the summer months only.

Please join me in supporting this application.

Sincerely,

A handwritten signature in black ink, appearing to read 'Hayley Tompkins', with a stylized, cursive script.

RE: Application to Caledon Council Community Golf Tournament grant for Bolton Camp redevelopment of former recreation hall building to "The Hub"

To whom it may concern,

I'm the founder and Chair of Caledon's Leadership Forum for Women. We donate the profits of our events to organizations or programs we believe are making a real difference in the lives of young girls in our community. This year, it was a unanimous vote to donate \$600 to the *Girls Can Too* program to help cover program coordinator salary/administration costs for 2016.

Gender equality and diversity in the workforce is still a very real problem in our country. The *Girls Can Too* program is monumental in removing gender biases and encourages young girls to confidently step into male dominated occupations.

The young girls in our community are thriving in this program. Not only are they enjoying learning hands-on skills but they have developed the experience necessary to be considered for related trade and environmental careers in their futures.

I can't say enough about the young women who run this program and the support they have received from Toronto and Region Conservation Authority through the redevelopment of Bolton Camp. I am extremely impressed with their leadership, dedication and commitment to building a sustainable community.

Please consider this application in support of the continued redevelopment of Bolton Camp's spaces. The Caledon community is very proud of their efforts to empower girls while restoring Bolton Camp, a very special and historical landmark.

Sincerely,

Tammy Elliott

February 8, 2017

To Whom It May Concern;

My name is Lisa Erdle and I worked as a Crew Leader for Toronto and Region Conservation Authority (TRCA) Bolton Camp Redevelopment project during July and August 2014.

We were the first group of youth to work on site after it had been abandoned for more than a decade. The buildings were heavily vandalized, and the landscape was incredibly overgrown. My responsibilities included working with high school students on various environmental restoration projects, such as restoring trail, clearing the debris and furniture that had been tossed into the creeks, sanding and painting graffiti, and creating bee condos and other dwellings for habitat. The work was physically difficult, but also fun and extremely rewarding.

Seeing the initial transformation at Bolton Camp felt incredible. I had no idea we would be able to accomplish so much in only a couple of months when we started the project, and throughout I gained skills in ecology and habitat restoration. Bolton Camp uniquely intersects enhancing wildlife habitat and building community, which challenged me to think creatively and be resourceful.

Since my work experience at Bolton Camp, I have been working with Ontario Streams to restore streams and wetlands across Southern Ontario. The experience I gained at Bolton Camp as a new university graduate helped develop valuable skills in applied ecology. I gained an appreciation for the history of our watershed and the events that have shaped our natural and cultural heritage.

TRCA has shown consistent leadership in engaging youth and the community with the revitalization of Bolton Camp. Funding support for the restoration of the recreation hall building into "The Hub" will ensure their continued success in their redevelopment efforts of this special and historic space. Please join me in supporting this application for a worthy and valuable initiative for the community.

Should you have any questions or require any additional information, please don't hesitate to contact me at [REDACTED].

Sincerely,

A handwritten signature in blue ink that reads 'L Erdle'.

To Whom It May Concern.

Please accept this letter as support for the Toronto and Region Conservation Authority's (TRCA) application for funding from the Caledon Council Community Golf Tournament.

The TRCA has done a great deal of work in our community and has created much needed space and jobs for students within the Town of Caledon.

For this application in particular they would like to restore their recreation hall, helping to turn it into a community hub. This would greatly benefit all students in the area and the community at large. It would provide additional indoor space for programming that could take place all year round.

Students benefitted immensely when the TRCA did work with major upgrades to the Bolton Camp. The four area secondary schools: Humberview, Mayfield, Robert F. Hall and St. Michael's were all invited to be a part of that major community project. So many students got summer jobs and many valuable experiences from working together on that project.

I know the TRCA has an interest in improving their recreation hall so that it can serve the greater Caledon community all year long.

I submit this in support of their application for funding.

For your consideration,

Stan Cameron,

Trustee for Caledon

February 27, 2017

To Whom It May Concern,

This letter is in support of Toronto and Region Conservation Authority's (TRCA) application for the primary recipient of the Caledon Council Community Golf Tournament (CCCGT) grant.

TRCA has engaged many of our Mayfield students during the design charrettes in 2014 and provided employment opportunities for our students through the Youth Summer Employment Program. We are delighted and eager to work closely with TRCA and support the redevelopment of Bolton Camp into a recreational and cultural community hub. The future of the site will be community driven and the arts and culture programming initiatives aligns with our activities.

As one of two Regional Art Schools in Peel District, Mayfield hosts four disciplines of art: drama, dance, music, and visual arts. While on a site tour of the property last year, I was thrilled to learn about all of the historical buildings on site (drama building, arts and crafts building) that TRCA will be restoring to their former glory in the coming years, in order to provide arts and cultural experiences for the community.

The site's trails and open spaces are currently being used by our partners in other schools to deliver environmental studies and physical education programming. The restoration of the former recreation hall building will allow for program expansion, and provide an indoor space that could be used by our students and staff to facilitate a variety of art-related educational programs or events. At Mayfield, we are a strong supporter of STEAM (Science-Technology-Engineering-Arts-Math). A lot of art education revolves around broadening our students' experiences and understanding of the world as it relates to their craft. Artists are storytellers and are able to creatively connect us to the past, present, and future. Delivering art programs in a historical, natural space like Bolton Camp provides the opportunity to engage students in a unique, fun and creative learning process. These experiences will help inspire a sense of discovery, showcase the importance of our natural environment and build lasting community connections.

Please join us in supporting the application.

Sincerely,

J. Kardash
Principal

Region of Peel Agricultural Society

2b. The objectives of the Region of Peel Agricultural Society is to encourage an awareness of agriculture and to promote improvements in the quality of life of persons living in an agricultural community by:

- Researching the needs of the agricultural community and developing programs to meet these needs
- Holding agricultural exhibitions featuring competitions for which prizes may be awarded
- Promoting the conservation of natural resources
- Encouraging the beautification of the agricultural community
- Supporting and providing facilities to encourage activities intended to enrich rural life

4. The purpose of the grant funding will be to replace ninety-four (94) 400 W Metal Halide fixtures with ninety-four (94) HBL 205 LED fixtures, 347-480V. Our primary goals for this project are to energy savings and be a more environmentally friendly organization. It has been projected that the 94 Metal Halide fixtures have an annual operating cost of \$27,319.00 with a carbon footprint of 129. It is projected that the 94 LED fixtures have an annual operating cost of \$10,149.00 with a carbon footprint of 55. As a non-profit organization and with the rising costs of hydro this is a significant savings. The Region of Peel Agricultural Society is a unique organization providing an opportunity for the urban and rural residents to come together while exploring their differences and embracing their similarities.

Our primary event is the annual fall fair but as the owner of our own facilities, we pride ourselves in making our facilities available to the community at an affordable price. Given our agricultural roots, we offer complimentary use to the local 4-H Association and reduced rates (1/2 price) meeting space to agricultural organizations such as the Peel Milk Committee, Halton/Peel Cattlemen's Association and Peel Soil & Crop Improvement Association. Our facilities are also used by the local community for family celebrations, fund-raisers, workshops, seminars and cultural events. Our clients enjoy having the convenience of a meeting place in their own backyard that is owned and operated by their community neighbors.

5. The total project is estimated to cost: \$83, 288.00

Less utility rebate \$11,360.00

Funds requested \$71,928.00 (\$72,000.00)

The following documents were
submitted by the applicant

2017 Caledon Council Community Golf Tournament (CCCGT)

Primary Grant Recipient Application

Applicants are invited to apply for primary grant recipient funding through the **2017 Caledon Council Community Golf Tournament (CCCGT).**

Applicant Information

Organization Name Habitat for Humanity Greater Toronto Area		Contact Name and Position Thomas Fischer, VP Regional Development
Current Mailing Address 268 Rutherford Road, Unit 5		Town/City/Prov Brampton
Postal Code L6W 3N3	Phone Number 905-455-0883 Ext. 231 [REDACTED]	Fax Number
Email Address thomas.fischer@habitatgta.ca		Website www.habitatgta.ca

Criteria

The 2017 CCCGT primary grant recipient will be awarded to an applicant supporting community projects within Caledon. Applicants will be considered generally based on, but not limited to, the following criteria:

- Non-Profit Organization
- Located in Caledon and/or provide services for Caledon residents
- Capital project in nature benefitting the community
- Scope of the project, and
- Recognition of the Town

Questionnaire

1. Grant amount applied for?	\$ 70,000.00
2. Organization's Mandate?	a) We mobilize volunteers and community partners to help low income families break the cycle of poverty through affordable homeownership.
a) Purpose/Mission	
b) Goals and Objectives	b) Habitat for Humanity GTA helps low-income families build and buy simple, decent quality affordable homes through a no-interest mortgage with payments set at no more than 30 percent of gross household income. This program not only helps to provide available housing for families in need, it enables low-income families to build assets, reduce their dependence on other forms of social assistance and break the cycle of poverty. 
3. Describe the scope of the project?	We have just broken ground on our first build in Caledon. This build will consist of two freehold townhouse blocks for a total of 10 units. They will be two-story, 3 bedroom town homes with garage, with a design that reflects the character of the community. Two of these units will be potentially designated and designed for homeownership for adult children with physical and/or intellectual disabilities. Partnering with Caledon Housing Initiative (CHI).
4. Describe the purpose of the grant funding. (How will the funding be used?) If *Capital, explain how it will benefit the community.	The funding would be used to help offset our mission costs. This project will benefit the community by offering volunteer opportunities for individuals, students over 16 that need to complete coop hours and provide a sense of pride in helping our neighbors. We have been in discussion with CAFFI to discuss a new unique homeownership model where one of the units would be designed to house adult children who are physically and/or intellectually challenged. The dollars invested in Habitat GTA never leave because the mortgage payments go into a Habitat Fund for Humanity which allows us to build even more homes!

Board of Directors Profiles

Updated June, 2016

Habitat for Humanity Greater Toronto Area Board of Directors

Executive:

Dennis Moir – Chair
Christine Pacini – Vice-Chair
John Packer – Treasurer

Directors:

Aly Alibhai
Bert Clark
Shauna Dudding
Scott Fortnum
Walter Lehman
Sona Mehta
Greg Nevison
Lisa Richardson
Dave Sauve
Kate Subak
Aida Tammer
Ian Taylor

Board Executive Committee:

**Dennis Moir –
Board Chair
Board Committees Ex Officio**

Toronto Board Member since September 2010 and served as Vice-Chair from June 2012 – May 2016. Dennis became Chair effective May 2016.

Dennis Moir is Chief Administrative Officer and Chief Financial Officer at CNW Group,

Canada's leading newswire provider, offering bilingual service and expansive networks that reach key media and market points locally, nationally and globally.

Mr. Moir brings more than 30 years of financial and operational management, 18 of which were in the high tech sector, to his role at CNW. A member of CNW's Board of Directors, he is responsible for financial and human resource planning and management, and provides operational and strategic oversight to the senior management team.

Mr. Moir is a member of the Board of Directors of Habitat for Humanity Toronto, a non-profit, housing organization, committed to building simple, decent, affordable homes in partnership with low-income families. He also sits on Habitat for Humanity Toronto's Audit, Finance and Risk Committee.

Prior to joining CNW in October 2008, Mr. Moir held senior management positions including Chief Financial Officer of PC DOCS Group International, a TSX and Nasdaq listed company. He was also CFO for The Bulldog Group, a digital asset management company, as well as CFO and COO for BlueCat Networks, a leading provider of IPAM, DNS, DHCP solutions.

A graduate of the University of Toronto, Mr. Moir is a Chartered Accountant and a member of the Institute of Chartered Accountants of Ontario.

Christine Pacini –
Board Vice-Chair
Land and Build Committee Member
Build Financing Committee Member

Christine was first involved in Habitat for Humanity York Region in the early 2000's and assisted the affiliate with the establishment of its first ReStore. Christine became a York board member late 2010 and amalgamated with Habitat GTA in April 2014. She is currently Vice-Chair (as of May 2016) and serves on both the Land and Build Committee (past Chair) and Build Financing Committee.

Christine Pacini is one of the founding Partners of SHS Consulting, an independent consulting firm specializing in the housing field. Christine has a specialized honours degree in public policy and administration from York University and has taken graduate level courses in public administration from Carlton University. Christine has more than 25 years of professional experience in the areas of policy and research, socio-economic analysis, survey research, strategic and business planning, public consultation and affordable housing development. Christine's past clients include the public sector at all levels of government, as well as a wide variety of not-for-profit organizations and sector organizations such as the Ontario Non-Profit Housing Association and the Housing Services Corporation.

John Packer –
Board Treasurer
Finance Audit Risk Management Committee Chair

John was a Brampton Caledon Board Member from November 2006 to April 2014. He has held the position of Board Treasurer for Habitat GTA from April 2014 to present, as well as a member of the Finance Audit Risk Management Committee. John became Chair in May 2016.

John is a Chartered Professional Accountant and works out of the York Region offices of PriceWaterhouseCoopers where he provides a full range of accounting, tax, and business advisory services to private companies.

John spent 10 years in industry with early adopters in the e-business industry. As well he has instructed several courses in the Business Administration program at York University and for the CMA program. John lives in Vaughan with his wife Nella and four children. In his spare time, John plays hockey, along with his duties on Habitat GTA's Board of Directors.

Board Directors

**Aly N. Alibhai, B. Comm., J.D. –
Fund Development Committee Member**

Aly joined Habitat GTA Board of Directors on September 16, 2014. He currently serves on the Fund Development Committee where he was previously Chair.

In 1987, Aly N. Alibhai obtained a Bachelor of Commerce (B.Comm.) degree from the University of British Columbia's Sauder School of Business in Vancouver, Canada. In 1990, he obtained a Juris Doctor (J.D.) degree from the Faculty of Law of the University of Windsor in Windsor, Ontario, Canada. From 1990 to 1991, Mr. Alibhai served as Articled Student-at-Law as a Law Clerk to the Chief Justice of Ontario and the Justices of the Court of Appeal for Ontario in Toronto, Canada. In 1992, Mr. Alibhai was admitted to the Law Society of Upper Canada as a Barrister & Solicitor. Mr. Alibhai began his professional career as an Associate Lawyer in the Litigation Department of the Toronto office of Fasken Martineau LLP, and subsequently commenced a public service career in Ottawa, Canada as a Senior Policy Advisor with responsibility for policing, law enforcement, corrections and national security to the Right Honourable Herb Gray, the then Leader of the Government in the House of Commons and Solicitor General of Canada. Mr. Alibhai then joined the Department of Justice, Canada where he worked in different capacities as Legal Counsel, Senior Legal Counsel and Manager in areas including, for example, Aboriginal law and litigation,

alternative dispute resolution, legislative drafting, public and administrative law, justice sector policy and program design, international justice and rule of law sector policy and program development and management, international humanitarian law and criminal law. Currently, he is the Director of Lands, Resources and Consultations for the Métis Nation of Ontario (MNO), a senior management position in which he provides strategic and operational leadership with respect to consultations between industry proponents and the MNO in respect of resource development activities in traditional territories of regional rights-bearing Métis communities throughout Ontario.

Mr. Alibhai has been very actively involved in the community and has served over the years as a member of the Board of Directors of various organisations including, for example, the Queensway Carleton Hospital Foundation in Ottawa, the Children's Hospital of Eastern Ontario Foundation in Ottawa, the John Howard Society of Ottawa, the Ottawa Public Library, Joan of Arc Academy in Ottawa, the Dean's Advisory Council at Osgoode Hall Law School in Toronto and FOCUS Humanitarian Assistance Canada, an international humanitarian relief agency affiliated with the Aga Khan Development Network. For many years, Mr. Alibhai served as an instructor for the Public Law component of the Law Society of Upper Canada's Bar Admission (Lawyer Licensing) Program. Since 2004, he has been a Government of Ontario-appointed member of the Board of Directors of Legal Aid Ontario, an agency of the Government of Ontario with a statutory mandate to ensure access to justice for low income citizens. Currently, Mr. Alibhai serves as a member of the Development Committee of the YMCA for Greater Toronto and the Communications Committee of the Board of Directors of the Toronto Public Library Foundation.

In recognition of his voluntary and community service, Mr. Alibhai has received several awards and distinctions including the Deputy Minister of Justice Humanitarian Excellence Award in 2001 and the Queen Elizabeth II Golden Jubilee Medal in 2002. In 2010, he was the recipient of the Lincoln Alexander Award from the Law Society of Upper Canada which annually recognizes an Ontario lawyer who has demonstrated a commitment to the public and the legal profession through community service. Mr. Alibhai's biography appears in the *Canadian Who's Who*.

**Bert Clark -
Finance Audit Risk Management Committee Member**

Bert became a Habitat GTA Board Member in May 2016. Bert also serves on the Finance Audit Risk Management Committee.

Bert Clark has been President and CEO of Infrastructure Ontario since August 2012, overseeing the management of the provincial government's real estate portfolio and the delivery of major infrastructure projects using the alternative financing and procurement (AFP) model. He has

been instrumental in developing the AFP approach to deliver major projects on time and on budget. Earlier in his career, he played a lead role in the establishment of Ontario's first long-term infrastructure investment plan.

Bert spent four years running the North American infrastructure business for Scotiabank, where he was an effective champion for public-private partnerships, and four years at Osler, Hoskin & Harcourt LLP.

Bert has an LLM from Duke University School of Law, an LLB from Queen's Law School, and a BA (Honours) from McGill University. He is a member of the Law Society of Upper Canada and was called to the Bar in Ontario in February 1999.

**Shauna Dudding -
Land and Build Committee Chair**

Shauna has been a Habitat GTA Board Member since June 2015. She previously serviced on the Fund Development Committee and is currently Land and Build Committee Chair.

Shauna is the Senior Vice President, Land Development at Markham-based Geranium Corporation, one of Ontario's leading residential and resort developers.

A professional engineer accredited across Canada, Shauna has more than thirteen years of land development experience, in commercial, resort and residential projects ranging from 500 units to upwards of 10,000 units.

Shauna has been instrumental in the development of Friday Harbour, Geranium's 600 acre mixed use, recreational resort development near Big Bay Point on the western shore of Lake Simcoe.

At completion, Friday Harbour will comprise 1,600 residential units, 1,000 slip marina, an 18-hole championship Doug Carrick designed golf course, 400-unit hotel and conference facility, recreation centre, theatre, 80,000sq.ft. commercial space and a 200acre environmentally-protected natural area.

Prior to signing on with Geranium in 2007, Shauna spent five years at Stantec Consulting as Land Development Program Manager.

Shauna is a graduate in civil engineering from the University of Toronto and is a qualified Project Management Professional.

**R. Scott Fortnum, MA, CFRE, ACFRE -
Governance & Nominating Committee Member**

Scott served on the Habitat York Board for one year prior to the amalgamation with Brampton-Caledon and Toronto, forming Habitat Greater Toronto Area in April 2014. He currently serves on the Governance and Nominating Committee.

Scott is Executive Director of The Living City Foundation. A professional fundraiser since 1990, he served as the CDO for Saint Elizabeth Foundation, VP Development for the ALS Society of Canada and as the National Development Director with Ducks Unlimited Canada. Scott has also spent time as a consultant as Vice President with DVA Navion and he was the first Executive Director of the Foundation of Chatham-Kent Health Alliance.

Scott has been an instructor at a number of colleges and universities in Canada and the United States and has taught at Georgian College for the last 8 years. He is a member of the AFP International Awards Committee and the Ethics Committee of the Greater Toronto Chapter where he was also a Board member. Scott was the first Canadian to earn a Master of Arts degree in Philanthropy and Development from Saint Mary's University of Minnesota, has held the CFRE designation since 1995, and became the 92nd person to earn the ACFRE designation in 2011 and joined the ACFRE Certification Board in 2014.

Scott is also a trained auctioneer and calls bids at charity auctions throughout Canada. He also volunteers with Ducks Unlimited Barrie Chapter. Scott, his wife Carol and their teenaged children Marshall and Tessa live in Newmarket Ontario.

**Walter Lehman –
Governance and Nominating Committee Member**

Walter joined Habitat GTA Board of Directors in September 2014 and is a member of the Governance and Nominating Committee.

Walter is President and Chief Executive Officer of Initium Management Inc., a business providing management services within the investment industry. Mr. Lehman is a member of the Board of Directors and the Governance and Nominating Committee of Habitat for Humanity GTA. He previously held the position of Managing Director in the OMERS Capital Markets division of the Ontario Municipal Employees Retirement System (OMERS). His time at OMERS included serving as a representative of the Canadian Coalition for Good Governance and as a member of the Corporate Governance Committee of the Pension Investment Association of Canada (PIAC). Mr. Lehman's experience includes working as a member of the corporate legal team of a TSX-listed company and as a corporate lawyer in private practice.

**Sona Mehta –
Governance & Nominating Committee Chair**

Sona is a long-time Bramptonian, and served as Chair, Habitat for Humanity Brampton, prior to amalgamation (forming Habitat GTA). Sona currently is Chair of the Governance and Nominating Committee.

Seeing families (especially the kids) rush across the threshold of their own, safe home has always been the shining moment for her.

Sona is Vice President, TD Canada Trust, responsible for Sales, Customer Experience, Operations and Finance for TDCT's 170 branches in the GTA. Her past roles at TD have included Deposit Products Development & Management, North American Strategy, Analytics and Technology. Prior to completing her MBA and joining TD, she also worked in the Consulting and Non-Profit sectors.

In her spare time, Sona enjoys traveling to nature-rich places, cycling, yoga and spending time with her nieces, nephews, family and friends. Sona's most recent accomplishment, along with her husband Raj, is the birth of their daughter, Jyothi Lani Sharda in September 2015.

**Greg Nevison -
Land and Build Committee Member**

Greg was a Toronto Board Director from October 2012, until Habitat GTA amalgamation in April 2014. Greg also serves on the Land and Build Committee.

- Senior Vice President of Construction for Tridel/Deltera
- Been with Tridel in Project Management and Construction for 27 years
- Previous experience in General Contracting
- Civil Engineering education (P. Eng)
- Responsible for Site Construction Management Team, Safety, Estimating and our General Contracting and Construction Management for external clients
- Provide leadership and direction for the Company's sustainability initiatives
- Member of the Operating Committee for Deltera which is the management entity for all Tridel projects.

**Lisa Richardson -
Fund Development Committee Chair**

A Habitat volunteer for many years, Lisa joined the GTA Board in June 2015. She also serves on the Fund Development Committee and became Chair effective May 2016.

As Vice President Mobility Customer Experience at TELUS, Lisa leads a team of more than 3000 team members responsible for delivering unparalleled customer experience. Even with a 95% customer satisfaction rating this team obsesses over improving customer service every day - they won't rest until TELUS leads all service companies globally in likelihood to recommend.

Lisa has more than 20 years of sales, marketing, retail operations and governance experience within two of Canada's top tier-one organizations. Lisa joined TELUS in 2000; prior to that she spent 8 years at Procter & Gamble. Career highlights include: creation and evolution of TELUS' digital business; transformation of BLACKS' bricks & mortar and online businesses, and; leadership of TELUS' Retail Channel Support Team.

Lisa holds a Bachelor of Commerce degree from Queen's University. Outside of work, she enjoys travelling, running, and spending time with her family at the cottage.

David Sauve -
Past Habitat GTA Board Chair
Build Financing Committee Chair
Land and Build Committee Member

David joined Habitat for Humanity York Region in 2009, became Vice Chair of that affiliate in 2011, and then Chair in 2013. He became the first Chair of the new affiliate, Habitat GTA, in April 2014 until May 2016. He continues on the Board as a Director. Dave was also elected as one of Habitat Canada's Board of Directors, as of May 2016.

David is currently a Vice President at Stantec Consulting, which is a large publicly traded company that provides project management, architecture, and engineering design services. In his current role as Regional Leader in charge of Stantec's GTA operations, David is responsible for approximately 450 staff in four offices located in Toronto, Markham, Mississauga, and Barrie. Prior to that, he was the Managing Principal of the Community Development business unit, which provides planning, civil engineering, and landscape architecture services. David is both a professional engineer and a professional planner and actively manages a number of projects for real estate development and institutional clients.

**Kate Subak –
Finance, Audit and Risk Management Committee Member
Fund Development Committee Member**

Kate joined Habitat GTA in May 2016. She is also a member of the Finance, Audit and Risk Management and Fund Development Committees.

Kate is the Executive Director of the Century Initiative, a foundation dedicated to ensuring an influential and prosperous future for Canada. The Century initiative is working toward a population of over 100 million Canadians in 2100, encompassing strategies in immigration, education, urban development, trade and innovation, and early childhood support.

Previously, Kate has been the Chief Business Officer of the Art Gallery of Ontario, a professional photographer whose work is permanently installed at the Hospital for Sick Children, and a McKinsey & Company consultant. Kate holds Masters Degrees in Finance, Strategy and Technology from M.I.T. and undergraduate degrees from Smith College (Economics) and OCADU (Photography). She has four children and lives in Toronto.

**Aida Tammer -
Finance, Audit and Risk Management Committee Member
Build Financing Committee Member**

Aida joined the board of Habitat GTA in June 2015 and serves on the Finance, Audit and Risk Management and Build Financing Committees.

Aida Tammer is a real estate professional and former investment banker. She served as Executive Director, Real Estate Investment Banking at CIBC World Markets until 2009, specializing in mergers and acquisitions and IPO's in the Canadian REIT sector for over a decade. Prior to that, she held a variety of positions at CIBC Development Corporation, the real estate development subsidiary of CIBC. She continues to consult as a real estate finance expert as well as being a design professional and artist. Aida served on the board of Tricon Capital Group (TSX: TCN) and was a member of the Audit Committee and Compensation, Governance and Nominating Committee from 2010 until 2015. She also served on the Board of Healthlease Properties REIT as the Chair of the Compensation, Nominating and Governance Committee.

Originally from Hamilton, Aida received her Bachelor of Environmental Studies and Bachelor of Architecture degrees from the University of Waterloo and completed her M.B.A. (Finance) at the University of Toronto. She subsequently completed the Chartered Financial Analyst designation. Aida worked as an architect early in her career. She is a retired member of the Ontario Association of Architects and former member of the Toronto Real Estate Board. She is currently a member of the Arts and Letters Club of Toronto.

**Ian Taylor –
Build Financing Committee Member**

Ian joined the board of Habitat GTA in May 2016 and serves on the Build Financing Committee.

Ian Taylor has been President of Quick Edge Realty Advisors providing real estate services land owners in the GTA since 2001. He previously worked for 23 years for Monarch Development Corporation, serving on the Board of Directors for 10 years. He is a part time Member of the Board of Negotiation, dealing with compensation for land expropriations within Environment and Land Tribunals Ontario.

He served over 20 years on the Board of a Non Profit Housing group in Markham which developed over 300 non-profit housing units.

He is a graduate of the University of London (UK), a Member of the Royal Institution of Chartered Surveyors, an Accredited Appraiser, a Past President of the Ontario Land Economists and a Real Estate Broker in Ontario.

Memorandum

Date: Wednesday, March 29, 2017

To: Members of Council

From: Kevin Hayashi, Corporate Partnerships & Events, Strategic Initiatives

Subject: 2017 Golf Tournament Operational Model

The management and logistics of the 2017 Caledon Council Community Golf Tournament has been assigned to Town of Caledon staff. With this, there will be adjustments in processes. Event management practices, policies and procedures incorporated by the Town will now in accordance with the Purchasing By-law, Occupational Health, Safety and Workplace Policies, Partnership Policy, Accessibility for Ontarians with Disabilities Act and the Municipal Freedom of Information and Protection of Privacy Act (MFIPPA).

Navigation and application of these practices, policies and procedures will be managed by the Strategic Initiatives Department under the Partnership Policy. The Partnership Policy was adopted to increase opportunities for sponsorships and partnerships.

These adjustments may lead to changes in how the event is operated, but staff will work with Council to achieving the traditional goal of delivering the greatest donation amount to local charities and not-for-profit organizations. Under the Town's procurement process, an Expression of Interest (EOI) will be issued to allow for an open, fair and transparent process to engage businesses, groups and organizations which are interested in provide in-kind goods/services, donations, and advertising revenue for the 2017 Golf Tournament. EOI responses will be received by the Town and the most suitable responses will be acted upon.

Fundamentally, this tournament has, and remains, a Council led fundraiser to benefit Caledon charities. Staff will still need to rely heavily on the Mayor and Members of Council when working on potential sponsorship and donations, as well as assessing new opportunities that may streamline or elevate the tournament.

Memorandum

Date: Wednesday, March 29, 2017

To: Members of Council

From: Emily Richards, Senior Financial Analyst, Finance and Infrastructure Services

Subject: 2016 Eligible Applicants for the Secondary Golf Grants Update

On February 21, 2017 secondary grant recommendations for the remaining net funds from the 2016 Caledon Council Community Golf Tournament (CCCGT) were presented to the Golf Tournament Committee. The Committee requested at the February 21, 2017 Golf Committee meeting, that Staff confirm that all recommended recipients are not-for-profit or charitable organizations and whether the applicant Bethell Hospice is eligible for secondary grant. The grant review committee has reviewed the outstanding questions that were raised during the February 21, 2017 Golf Committee Meeting and gathered the information provided below.

Not-For-Profit/Charitable Status of Organizations

The grant review committee reviewed all the recommended grant recipients to ensure they have a not-for-profit or charitable status. All the organizations have been verified as not-for-profit or charitable status except for Mill 31, as the group is currently in the process of setting up the organization as a not-for-profit business. Staff recommended on February 21, 2017 that Mill 31 received grant funding of \$9,378 with the assumption they were registered as a not-for-profit organization. Staff have been following up with Mill 31 since February 21, 2017 to confirm their not-for-profit status. On March 21, 2017, Staff received a call from a Mill 31 representative stating they currently have no official corporate structure in place (e.g not legally structured as not-for-profit nor a registered charity) but are actively working on this. Currently the secondary golf grant application does not require applicants to be a non-profit but the evaluation staff committee would only recommend funding non-profit organizations to avoid funding for-profit organizations. Since the Town cannot confirm Mill 31 is a not-for-profit organization, Staff can no longer support this application. The recommended allocation for the secondary golf grants were approved by the General committee on March 21, 2017 as shown on Schedule A. If Council would like to change this recommendation it must be done as an amendment at the April 4, 2017 Council meeting.

If Council still wishes to approve the recommended grant amount for Mill 31, on April 4, 2017, staff recommend that the grant approval letter have a clause added stating that Mill 31 is required to submit proof of their not-for-profit status by June 30, 2017 and prior to any grant funds being released. The deadline for all secondary recipients to submit their proof of payment before grant funding will expire remains December 1, 2017, and would be applicable to Mill 31 as well.

Foundations

The grant review committee reviewed the following ineligibility criteria on the grant application in regards to the application from Bethell Hospice Foundation/Bethell Hospice:

- A foundation that raise funds for another organization and their associated groups or agencies (fundraisers for registered charities are permitted).

Bethell Hospice Foundation raises funds only for Bethell Hospice and no other registered charities or organizations. Upon further research the grant review committee has determined that Bethell Hospice is a registered charity and therefore is eligible to receive CCCGT grant funding under the exception - fundraisers for registered charities are permitted. It should be noted the grant application from Bethell Hospice requested funding for operations. The staff evaluation committee did not feel this request matched the purpose of the secondary grant “which is a specific and measurable project or program” as stated on the grant application.

As noted above, the recommended allocation of remaining net funds from the 2016 tournament has been approved by General Committee on March 21, 2017 as shown on Schedule A. This recommendation has been forwarded to the Council meeting scheduled for April 4, 2017. If Council chooses to change the recommendation this must be done as an amendment at the April 4, 2017 Council meeting.

ATTACHMENTS

Schedule A: 2016 Caledon Councillor Community Golf Tournament Secondary Grant Requests

Schedule A

TOWN OF CALEDON 2016 Caledon Councillor Community Golf Tournament Secondary Grant Requests
