CANINE FIRST AID SEMINAR

Dr. Justin Levasseur DVM
Emergency Veterinarian VCA Canada
404 Veterinary Emergency & Referral Hospital

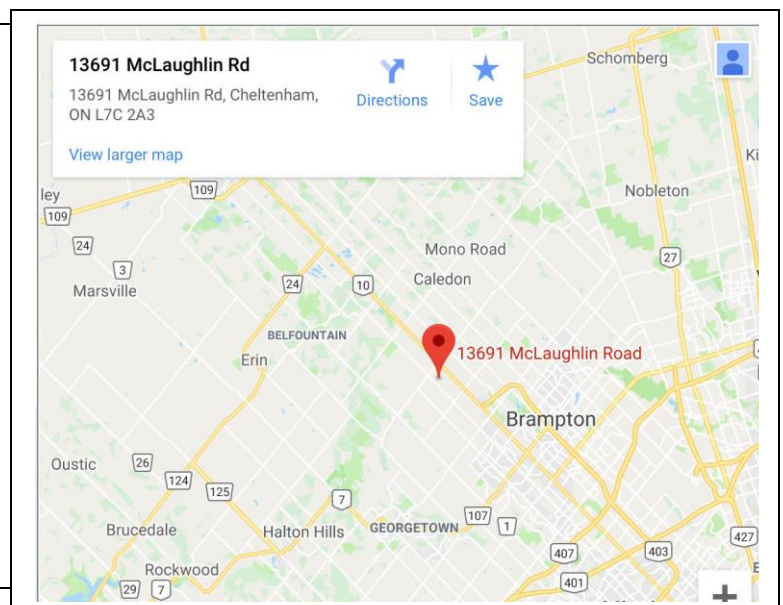

CONDC is happy to offer a canine first aid seminar this spring. Dr. Justin Levasseur, an emergency room veterinarian will be instructing. The course will talk about scene assessment and triage and then work through specific emergencies including heat stroke, frostbite, seizures, wound care, shock, electrocution, orthopedic fractures, near-drowning, etc. A portion of the course is dedicated to bandaging and CPR. There is an “at home” quiz at the end of the course. Participants then receive a First Aid/CPR certificate. Example first aid kits will be presented.

The seminar will take place at a meeting room at the Brampton Caledon Flight Centre.

The day will start with a light lunch (vegan & gluten free options are available) and then the presentation will include demonstrations, powerpoints and hands on practice.

No Dogs are invited to this seminar.
There will be one demonstration dog with Dr. Levasseur.
