### **PUBLIC MEETING**

Chair N. deBoer advised that the purpose of the public meetings is to obtain input from the public and that any concerns or appeals dealing with the proposed applications should be directed to the Legislative Services division. He noted that any interested persons requesting further

notification regarding the proposed applications are advised to sign the appropriate notification form as required.

**1. Proposed Official Plan Amendment and Zoning By-law Amendment: 13233 and 12247 Nunnville Road, Ward 5**

Chair N. deBoer confirmed with Leilani Lee-Yates, Senior Planner, Development – East, that notification was conducted in accordance with the Planning Act.

Chad John-Baptiste, Director, Planning – Ontario WSP, provided a presentation regarding the application for Proposed Official Plan Amendment and Zoning By-law Amendment, municipally known as 13233 and 12247 Nunnville Road. Mr. John-Baptiste provided the proposed plan for the subdivision and highlighted the conceptual renderings and noted site opportunities. He provided a list of the supporting studies completed for the application.

Chair N. deBoer thanked Mr. John-Baptiste for his presentation.

**PUBLIC COMMENTS**

Jonathan Willner provided a petition signed by approximately 120 residents for the public record in opposition of the proposed development on Nunnville Road. Mr. Willner noted that in his opinion there is a lack of infrastructure to accommodate the proposed development. He expressed concerns with the impact the proposed development may have on the wildlife and natural landscape and with the density, stating that it would impact the lifestyle in adjacent area. He requested that the Town maintain the estate zoning of the subject property.

Louise Milliken stated that in her opinion the proposed development would impact the quietness, privacy and quality of life of the area. She raised concerns with parking issues and the lack of accommodation for visitors. She expressed concerns with winter maintenance within the neighbourhood and stated that in her opinion the increase in traffic would impact road safety. Ms. Milliken opposed the number of dwellings proposed and requested that the zoning remain for estate homes.

Andrea Pesa expressed concerns with the proposed number of houses and the impact it may have on the traffic in the neighbourhood.

Nancy Willner raised questions regarding the impact of the quality and quantity of water as a result of the proposed development. She opposed the density and stated that in her opinion the increased density may take away from the character of the neighbourhood.

Todd Saunders advised that in his opinion the proposal is a responsible development and includes green space and natural habitat. He stated his support of the proposed development.

Sherry Brioschi raised questions regarding the Official Plan, population allocation, and Bolton's population cap. Ms. Brioschi raised additional questions regarding the public meeting process and asked whether the applicant would offer another public meeting. She expressed additional concerns with parking for the proposed development.

Allison Jurrius stated that in her opinion the smaller homes proposed are necessary and seniors require houses that have stairs to encourage daily physical activity.

John Pellegrini inquired whether there would be new intersections to accommodate the proposed development on Nunnville Road and whether there are possibilities for to add more access points to the development.

Bob Skaltsiotis expressed concern with the boulevard and the treeline on Nunnville Road at Riverwood Terrace. He stated that in his opinion current traffic in the neighbourhood is damaging the treeline on the boulevard. He expressed concerns with illegal activity occurring at the boulevard and treeline.

Rick Gelger raised concerns with the proposed development's effect on the boulevard.

Peter Canali raised questions regarding the affect the zoning by-law amendment may have on property values and suggested the trail off of Nunnville Road be closed.
